Lyrics and Music © 2010 by Bill Roper

**E7sus4**            **Cmaj7**

No sleight of hand,

**E7sus4**            **Cmaj7**

He's a magic man.

**Am7**

**Am7/G**

**B7**

It doesn't really matter what you think or feel.

**E7sus4**            **Cmaj7**

He's got the power

**E7sus4**            **Cmaj7**

And it's the hour

**Am7**

**Am7/G**

**B7**

When you've got to let go of everything you thought was real.

**G**                    **D**

**Em7**

You're just a pawn in the cosmic plan

**G**

**D**

**B7**

And you're gonna have to grab the power if you want to stay in demand.

(Chorus)

**A7**

You've got one foot in and one foot out

**C/G**

**Em7**

And there's no way that you're leaving alive.

**A7**

**A7/G**

Although you want to scream and shout

**B7**

**B7/G**

**B7**

**E7sus4**

**A7**

(x2)

You've got to jump in if you want to have a chance to survive.

Put down the drink

And try to think

As the hair on the back of your neck begins to rise.

If what you see

Just cannot be

Are you gonna believe the truth of your own lying eyes?

The power is waiting for you to take control

And you're gonna have to do it soon if you want to save your mortal soul.

(Bridge)

**G**                    **D**

**Em7**

Everything is strange since he came around

**C**

**Am7/G**

**B7**

And the magic man says that they're gonna try to cut you down.

**Cmaj7**                    **E7sus4**

Now your power's awake.

**Cmaj7**

**E7sus4**

It's a prize that they can take.

**Cmaj7**

**Am7/G**

**B7**

There's only one choice that's left for you to make.

Wand in your hand.

Power to command.

Don't dare to dream that it's not real.

Set loose the spark.

## JUMP IN

*Lyrics and Music © 2010 by Bill Roper*

Watch lightning arc.  
Magic's gonna fill you up from head to heel.  
And soon this pawn will be a king,  
But the magic man's gotta keep you living till you learn to make the magic  
sing.

(Chorus twice)

	<b>E7sus4</b>	<b>A7</b>
Jump in.		
	<b>E7sus4</b>	<b>A7</b>
Jump in.		
	<b>E7sus4</b>	
Jump in.		

*Yes, I've been working on a musical about magic. Having two kids has slowed the process down a bit. :)*

*This song is **not** related to the musical and is much more contemporary. It's just about someone who is having his worldview upset. One spell at a time...*
