## Run, Cassie, Run

**Am Em7 Am Em7**

**Cadd9**

**Asus2**

You told me I was crazy when I said that I love you

**Cadd9**

**Asus2**

And when I look into your eyes, I know that might be true.

**Fmaj7**

**Am7/G**

There's something deep within them that could drive a man away,

**Fadd9**

**G/D**

But I'm the one who's fool enough to stay.

(Chorus)

**Am**

Run, Cassie, run,

**Em7**

**E7**

From the daylight through the night.

**Am**

Run, Cassie, run.

**Fmaj7**

**Dm7**

**E7**

Is it fear I see there in your eyes, or only second sight?

**Dm**

**Dsus**

**Dm**

**Dm6**

**E7**

I'll be waiting for you when you're done

**Am**

**Em7**

**Am**

**Em7**

So run, Cassie, run.

You say we've got no future, that you've seen it clear as day  
And if I should stay with you, we will end in a bad way.  
You tell me that you're never wrong, there's nothing I can do,  
But I'm the one to take a chance on you.

(Bridge)

**Fmaj7**

**Am7/G**

I trust that in the large things, all your visions will come true

**Em7**

**E7**

**Am**

For I've no lever, nor a place to stand

**Dm**

**Am7**

To change the course of destiny, except for me and you,

**Fadd9**

**G/D**

Holding free will tightly in my hand.

I believe that in your eyes are things I cannot see  
And I can only hope that you'll believe the same of me,  
For I can see the future without knowing that it's true  
And I can wait for you to see it too.

(Chorus twice)

Run, Cassie, run.      **Am**      **Em7**  
Run, Cassie, run.      **Am**      **Em7**      **Am**
