### Happily Ever After

**G** **D**  
It's making me crazy,  
**Em7** **CaddD** **G**  
Working at my job all day and into the night.

**D**  
And it's making you crazy,  
**Em7** **CaddD** **G**  
Looking after kids and breaking up another fight.

**D** **Em7** **A7**  
It's not easy, but I know we're gonna find a way  
**CaddD**  
To get to tomorrow

Past the trouble that we borrow,  
**D**  
'Cause every day's a better day.

And I'll live

**G** **D** **C/G** **G**  
Happily ever after, as long as I am living with you.  
**Em7** **Am7** **C/G** **D**  
It took such a long time, but we're better for the things we've been through.

**C/G** **G/D** **Em7** **A**  
And we'll get through tomorrow, the way that we will get through today

**C/G** **G** **D7** **G**  
And live happily ever after, now that we're together to stay.

It's so hard to breathe now,  
'Cause everything is running and it always keeps on moving too fast.  
You've got to believe now,  
'Cause the future's always coming and the future's always beating the past.  
I remember, and I'm not here to relive yesterday.  
I'll be with you tomorrow.  
I can beat down any sorrow,  
'Cause I only want to hear you say  
That we'll live

(Bridge)

**Em**

Well, I know I make you crazy

And you know you make me crazy

**C**

And that's just the way that life should be,

**D**

'Cause you've got to be a little crazy

**C/G**

**G**

If you want to keep your sanity.

**Em7**

And my only explanation

When we fail communication

**CaddD**

And one of us is getting sore

**D**

Is to go resist temptation

**C/G**

And head for the summation,

**A7**

**D**

'Cause every day I love you more.

And we'll live

(Chorus twice)

**C/G**

**G**

**D7**

**G**

We'll live happily ever after, now that we're together to stay.
