### I Wonder Where We're Filking Tonight

**G** **C**  
When I said that I'd run filking,  
**G** **C**  
You know I thought we'd have a room  
**G** **C**  
And I didn't think programming  
**G** **C**  
Would send me to my doom,  
**G** **C**  
'Cause a filk should be located  
**G** **C**  
Where you can find it every night.  
**G**  
And now I wonder  
**F** **G**  
Where we're filking tonight.

(Chorus)

**G** **C**  
Oh, yes, I wonder where we're filking tonight.  
**F** **C** **G**  
Yes, I wonder where we're filking tonight.

It was so small, but it could have been smaller.  
We could have wound up stuffed in Kent.  
And I looked in James last evening  
And I wondered where the filkers went,  
'Cause it seems that every evening  
We've got to find a new place to light.  
And now I wonder  
Where we're filking tonight.

(Chorus twice)
