

**Mrs. Schaefer**

(Chorus)

**G** Mrs. Schaefer is our teacher's name - it starts with an **G**  
**C** And in our kindergarten class we think she's the best.  
**D** We're learning how to read and we're learning to rhyme  
**G** And we're gonna have a really good time.

**G** Her classroom is inviting  
**C** And it's always so exciting  
**G** And the reading and the writing's  
**C** Getting better each day.  
**D** We're counting and we're graphing.  
**G** You will never find us napping  
**C** And she always has us laughing  
**D** 'Cause we learn while we play.

We're sitting and we're staring  
At the story that she's sharing  
About a little girl that's daring  
With a plan going wrong.  
The pages keep on turning  
And we're loving what we're learning.  
It's a fever that is burning  
That will last our life long.

(Bridge)

**C**  
She's laying the foundation

**G**  
Of a solid education

**A**  
For the coming generation.

**D**  
She's a hero of the nation.
