From the perfect gyros to your college pizza pie,
A D
We can serve it up for you at a price that's not sky high.

You want the spicy noodle dish
From the food court at the con?
I'm sure that we can grant your wish.
Did you want the one with prawns?
Things you can no longer find are our daily stock in trade,
Delivered to your table top, all hot and freshly made.
You crave seasonal specialties, but the seasoning is wrong?
Simply place your order and they'll shortly be along.

Come on down and see us at The Time Travel Café.
We've got all your favorite foods made fresh some other day.
A 4 and 20 breakfast sandwich and some key lime pie,
We can serve it up for you at a price that's not sky high.

See those other servers?
That's Sam, and Sam, and Sam.
You're quite astute observers,
Cause I'm also Sam, I am.
We're working a quadruple shift all folded up in time.
It keeps us really busy, but we make great overtime.
I've got your order entered and it's off to be prepared.
And here's Sam with your appetizer, ready to be shared.

Come on down and see us at The Time Travel Café.
We've got all your favorite foods made fresh some other day.
The mole enchiladas that you miss so much you cry,
We can serve it up for you at a price that's not sky high.

I hope you have enjoyed your meal.
I'm glad you could come by.
We've got a frequent diner deal,
It's easy to apply.
TTCafe dot com's the name for our best URL.
The Snakes that squatted on the others can go straight to hell.
If you're not from around here, check the map beside the door.
We've got 32 locations; next month, a dozen more!

(Spoken) It's a *chain*!

Come on down and see us at The Time Travel Café.
We've got all your favorite foods made fresh some other day.
Broiled fried cheese with meat sauce and a basket of steak fries,
We can serve it up for you at a price that's not sky high.
